### **TRAINING and CONDITIONING**

The training fee at Snowberry Farm Training Center is \$300.00 per month for Halter. Performance is \$400 per month. The boarding fee for the winter months, if so desired, is \$150.00 per month. A one month training fee is usually required as a deposit to hold a stall space. (Deposit is non-refundable and will be deducted against the final bill).

Training and conditioning includes an individualized work-out and feed schedule. Each horse has a separate stall, daily turn-out time, fresh water and stall mats.

### **FEES**

Entry fees, stall fees, AMHR/ASPC charges, bedding, etc are the actual costs that are incurred and are to be prepaid prior to the show. Supply and tack/feed stall costs are divided among the clients at show.

There is a per show charge of \$150 per horse which covers grooming, ring prep, and class presentation.

There is a \$10/day care fee for a show (i.e. from day of departure thru day of return = Fri/Sat/Sun/Mon = \$40). There is a supply fee per show (divided by clients) covering all supplies (i.e. razors, hoof black, blades, Pepi, etc).

A single fee of \$500 will be charged per family (not per horse) for attending a National Show. (Tulsa, Oklahoma) This includes transport and the show fee of \$150 per horse will be charged for grooming and showing.

It is the Client's Responsibility to purchase insurance covering the show horse during the training at SBF. We take every precaution, but are not responsible should an accident occur.

\*Due to the increase of diesel fuels, there will be a gas-charge per show for the total \$\$ amount of diesel (no mileage) which will be divided by all client farms. (i.e. \$180 gas cost divided by 6 farms = \$30 each)

Special rates available when purchasing a Snowberry Farm horse to be left in training.
